Title

UPF

a film by UNITY PRODUCTIONS FOUNDATION and GARDNER FILMS

Inside Islam: What a Billion Muslims Really Think, a new documentary film from Unity Productions Foundation, explores the expertly gathered opinions of Muslims around the globe as revealed in the world’s first major opinion poll, conducted by Gallup, the preeminent polling organization.

Focused on the issues of Gender Justice, Terrorism, and Democracy – the film presents remarkable data deftly, showing how it challenges the popular notion that Muslims and the West are on a collision course. Like the research, the film highlights a shared relationship that is based on facts – not fear.

Experts Featured in the film: Dalia Mogahed, Executive Director of the Gallup Center for Muslim Studies, John Esposito, University Professor, Georgetown University, Rami Khoury, Editor of the Daily Star (Beirut), and Kenneth Pollack, Director of Research, Saban Center for Middle East Policy at the Brookings Institution, among others.
