To whom it may concern:

With this form, I am submitting the enclosed/attached article/essay/poem/artwork/photo/video that is tentatively entitled _____ (the “Work”) for publication in an issue of *KidSpirit* Magazine. I understand that my submission of the Work is not a guarantee that the Work will be published, that you have no obligation to publish the Work, and that I will not receive a response to this submission unless the Work is chosen for publication. I also understand that if the Work is chosen for publication, I will need to make any changes that you consider necessary to make it ready for publication, before you will publish it, and also that the copy of the Work that I am submitting will not be returned to me.

If you do accept the Work for publication, then in consideration of the opportunity to have the Work published in *KidSpirit*, I hereby grant permission to you and your licensees, successors and assigns to (i) reproduce, display, and distribute copies of (“publish”) the Work in a print issue of *KidSpirit* and in all editions and derivations of that issue of *KidSpirit*; in an electronic edition of that issue of *KidSpirit* or on a website related to *KidSpirit*, whether or not the Work is available for individual retrieval; in compilations of issues of *KidSpirit*, compilations of pieces from various issues of *KidSpirit*, and/or compilations of pieces written by children in and from various sources; in the advertising and promotion of *KidSpirit*; and in any other way in which you may see fit in your sole discretion; (ii) publicly perform the Work or have the Work publicly performed; and (iii) create derivate works, such as translations, of the Work, all as you see fit in your sole discretion, in all languages, in all forms and media now known or hereafter devised, for the term of copyright, as long as you credit me with authorship of the Work. You also may edit the Work as you consider appropriate. For the avoidance of doubt, this permission includes, as applicable, the right to use my name, likeness and voice, if any, as appropriate in marketing and/or promotional materials.

If you do publish the Work in the print issue of *KidSpirit*, you will credit me as the author of the Work either on the same page as the Work or on the first page of the Work, on the copyright page, or in a separate section for credits.

In signing below, I represent that I wrote/created the Work myself; I have not published it anywhere before; I did not copy it from anyone or anything else unless it specifically says so in the Work (for example, if something is set off by quotation marks); and I did not use or disclose in the Work any information or material that someone asked me not to use or disclose.

Sincerely,
